

Camp Lael Summer Camps 2018

Camp Lael began as the Detroit Baptist Camp in 1947. "Lael" is the Hebrew word meaning "of God". Today, Camp Lael exists as a nondenominational Christian youth camp. The camp is located seven miles northwest of Lapeer, 10 minutes from I-69. The property is a mix of open grassy areas and big deep woods, bordered by Skinner Lake. The facility is rustic and beautiful.

All summer staff are carefully selected and trained for a summer experience working with youth and children. Our training sessions include First Aid, CPR, and water safety training. All lifeguards and the health officer are certified by the American Red Cross. Camp Lael is licensed by the State of Michigan as a child care provider. The physical and emotional well being of our campers is our primary concern. We want this summer camp experience to be one that is remembered and cherished forever by our campers. We offer this summer experience as part of our vision to provide a place where people can discover Christ, grow and share their faith, make decisions for ministry and learn to give to the community. The camp experience emphasizes God and creation.
